Dear Mr. Hedberg:

Re: S/041/013

The land to which the above file number refers to was transferred from BLM to Forest Service management sometime in 1992. Jack Grover of Alpha Geological A.G. Hold, 1364 Gilmer, Salt Lake City, Utah 84105, took over operation of the quarry under an aggregate lease from the Forest Service in August, 1992.

Aggra-Insulite Marketing sent a transfer of mining operation to Mr. Grover in January, 1993, but received no response. A copy of the form and the letter is attached.

Aggra-Insulite Marketing lost its lease from DTM in August, 1992.

It is not known if any mining has taken place.

Thank you.

Sincerely,

*Kelly R. Park*
